Our mission is to improve public perception and support responsible
ownership of pit bull breed dogs through education, advocacy and rescue.

Greetings,

We are pleased to invite you to join us as a sponsor of BullsEye Dog Rescue's *Pit Bulls on Parade* event, Saturday, August 21st, at Reber Ranch in Kent, WA. *Pit Bulls on Parade* is a showcase of the amazing Pit Bull breeds performing in weight pull, agility and other dog sports. The event will also feature Canine Good Citizen testing. For every Pit Bull that earns its CGC title, BullsEye Dog Rescue will receive \$150 through a generous grant from Animal Farm Foundation.

BullsEye Dog Rescue is a registered charity in Washington state and a Federal non-profit 501(c)(3) organization. Our board members have over 35 years combined experience with the Pit Bull breeds and animal rescue. Our core value is to provide education about the amazing Pit Bull breeds to the public, current Pit Bull owners, other rescue organizations and shelters throughout the Puget Sound region. BullsEye is not a shelter. Instead, we are a network of foster homes and volunteers working with Pit Bull friendly, Puget Sound region shelters to give a handful of Pit Bulls a second chance. In our five year history, we have helped well over 100 dogs out of the shelters and into loving forever homes.

We know we can make a difference in our community through our continued work on model programs such as The Responsi-Bull Project and The Adopt-A-Bull Program. For us to continue these worthwhile efforts we need the support of caring individuals like you!

Our goal is to raise \$5,000. Your sponsorship can help make this happen!

Many of Puget Sound's dog community members will join us for this celebration including rescue organizations, shelters, pet care experts, nutritionists, trainers and many other animal care professionals all with a personal interest in the welfare of your pet! Your sponsorship is a wonderful opportunity to show everyone your support for our ongoing education and rescue efforts.

Do not hesitate to let us know if you have any questions and/or ideas about other colleagues who may be interested in joining us or sponsoring this special event. Thank you for your consideration – together we can continue to serve our community with helpful programs and provide these deserving dogs a forever home.

Warmest regards,

Lorrie Kalmbach-Ehlers
